RESORT REGISTRATION INFORMATION

- When Rental Guests choose to pay resort fees, they are required to complete their registration with the Four Seasons Club Concierge prior to arrival. Kema Kama initiates the registration process for our rental guest guests, and then Club Concierge will communicate directly with the Rental Guests via email to begin the registration process.
- Should Rental Guests not submit completed paperwork with photos of each guest to Club Concierge prior to arrival, every guest must be personally escorted to the Four Seasons Club Concierge office to have their photos taken upon arrival at their rental property. For your comfort and convenience, we encourage you to complete and submit your registration paperwork, including all photos, and your credit card information to Club Concierge prior to your arrival.
- An additional benefit of completing and submitting your registration information and photos to Club Concierge in advance is that they will assist you with: transportation to/from the airport, off-property activities and off-property dining reservations, resort reservations, tee times, spa appointments. etc.
- Unfortunately, you will not be assisted by Club Concierge for any matter until they have your credit card on file, and your completed registration paperwork and photos are submitted.

RESORT FEES OPTION

1. OPT IN FOR THE ENTIRETY OF YOUR STAY

This option gives rental guests access to resort amenities and restaurants during all seasons as stated above. All guests staying at the rental property are required to pay for any and all OPT IN days as a group.

2. OPT IN FOR CONSECUTIVE DAYS (2-day minimum)

Rental Guests have a one-time opportunity to “OPT IN” to pay Resort Fees for a minimum of two **CONSECUTIVE DAYS**. On those selected days, you will have access to resort amenities mentioned above. All the guests staying at the rental property are required to pay for any and all OPT IN days as a group.

On the days that Guests are not paying Resort Fees, you will NOT have access to the resort amenities. The beaches are public and are available to all Rental Guests. Resort restaurants are open to the public during non-festive dates.

3. OPT OUT FOR YOUR ENTIRE STAY

Rental Guests may “OPT OUT” entirely and not pay any Resort Fees. You will NOT have access to any resort amenities. Beaches are public and available to all Rental Guests. All Kema Kama rental properties have beach chairs, coolers and beach towels available. Should ground transportation be needed to/from the Kona Airport, Kema Kama can recommend a town car service so that those arrangements may be made in advance.

4. OPT OUT ON THE DAY OF ARRIVAL ONLY. We suggest this as cost saving idea as most guests limit their activity to relaxing, having a meal and unpacking on their first day.
